What is World Changers?

World Changers is a hands-on mission experience, engaging students in meeting the needs of people in communities across North America. Students are able to put their faith into action by serving others and sharing the gospel.

OUR MISSION: SERVING OTHERS AND SHARING THE GOSPEL

World Changers construction projects are mission trips designed specifically for student ministries eager to serve in the capacity of construction missions. World Changers partners with local city agencies and churches to mobilize volunteers needed to help them serve local residents. Participants spend a week serving on crews with students and adults from other churches—completing assignments ranging from painting and roofing to building handicap ramps—all to improve the quality of life for local residents. (Church groups can serve together on a crew if requested in advance.) The goal of serving extends far beyond meeting physical needs. Students are trained through both the Pre-Project Study and Gospel Engagement on how to share the gospel. The nightly gathering is a time set aside for worship and teaching from World Changers staff.

THE HISTORY OF WORLD CHANGERS

World Changers started in 1990 in Briceville, TN with 137 students and adults. It was one of the first organizations to meet a need within the church for hands-on missions opportunities for students. World Changers continues to meet that need through construction and community mission experiences.

For over 25 years of ministry, World Changers has mobilized almost 400,000 participants, served more than 13 million volunteer hours, saved North American cities over \$280 million in labor costs, and ministered to over 27,000 homeowners.

We want to provide more than just a weeklong mission trip; we want to provide the tools and training that equip your students for a lifetime of missional living. No matter what kind of college major, career, or volunteering opportunities are in their future, your students will leave a week of World Changers knowing how to share the story of Jesus with others. We are excited each summer to see how the Lord calls students to fulfill the Great Commission in unique and creative ways.

World Changers Adult Code of Conduct

This Code of Conduct is included in order to insure the provision of a safe environment for the participants entrusted to our care for the week at a World Changers project. As an Adult Volunteer working with students, it also serves to protect you from participating in activities that have the potential for damaging your reputation, detracting from the effectiveness of your testimony, and could result in legal action.

In order for you to serve at a World Changers project, we require each adult be made aware of these standards of conduct enumerated in the following statements. The concepts and standards of behavior are meant to apply to all participants; male and female, students and adults. ***It is a requirement that groups be accompanied by an adult age 21 or older and there must be one adult for every five or fewer students of the same gender.***

1. The use of profanity and crude or suggestive language is prohibited. This includes the use of potentially suggestive nicknames such as “Honey”, “Sweetie”, etc. Instead, call students and adults by their preferred name.
2. Touching a participant in any manner that could be construed as inappropriate or could make a participant feel uncomfortable is never allowed. This includes inappropriate indirect contact such as contact with a piece of building material, hand tool, or any other object.
3. Horseplay with students or other adults is not allowed.
4. The use of alcohol or tobacco products in any form is prohibited at a World Changers project.
5. Fireworks are prohibited at a World Changers Project.
6. The use of controlled substances is prohibited without a prescription.
7. All participants, students, and adults, are to be treated with respect and dignity.
8. All adults must comply with the dress code.
9. All illegal weapons are prohibited at World Changers.
10. The adults at our projects are participants in every sense of the word. We ask the adults to work with us, worship with us, and to stay at the lodging facility just like student participants. Adults fulfill extra responsibilities by helping with transportation, discipline, and logistics.

Background Check Policy

Below is an outline of World Changers background check policy. We want to ensure we partnering with you to provide a safe environment for all participants.

- All registered groups (like yours) are required to run background checks on all adults according to the instructions provided on the Church Agreement form (specifically the Statement of Compliance at the end). World Changers staff collects and keeps records of these forms turned in at check-in from each group.
- World Changers runs a background check every year on all summer staff and coordinators who are hired.
- World Changers also runs a background check on any volunteers that are not coming with a registered church, but are serving in a crew chief, supervisor, first aid coordinator, speaker, etc. any roles with direct contact with students.
- Anyone not covered by the above points, but staying overnight on site will have a background check completed by World Changers. An example of that might be caterers that travel around to projects, or a spouse that is helping the Project Coordinator for the week.

Adult Volunteer Roles

To apply for a volunteer position please visit our website. Applications are found under “work with us > volunteer”.

Medical Care at the Project

At a project, World Changers enlists one or more adults who are trained in basic first-aid to serve as first-aid coordinators (FAC). Their training is certified by a recognized organization, like the American Red Cross or the American Heart Association. Here is helpful information regarding medical care at the project:

- First-aid coordinators will NOT administer over the counter medications. Any prescribed medication brought to a project must be accompanied by a valid medical doctor's order or covered in appropriate protocols. The group leader is responsible for purchasing and/or dispensing any medicine to students.
- Participants should inform the first-aid coordinator of any prescription medications they are taking immediately upon arrival at the project. In most cases, the first-aid coordinator will be present during Check-In.
- Whenever a participant goes to the hospital during a project, an adult must accompany the participant, and the Project Coordinator and group leader must immediately be informed. In most cases, the group leader is taken to the hospital as soon as possible. The group leader is responsible for contacting parents/guardians immediately whenever a participant has any medical care provided or considered by FAC or hospital.
- The first-aid coordinator must complete an Accident Report Form whenever first-aid is administered. Necessary first-aid is rendered at the job site and at the lodging facility.
- Emergency personnel are called whenever necessary. A local doctor has been enlisted to advise and render care when necessary.
- A participant form is provided for every participant. Before leaving home for the project, a form must be completed and signed by each participant (student and adult). Participants under age 18 must have a parent's signature and have their participant form notarized by a notary public. The form gives important medical information and authorization for emergency medical treatment. Group leaders are responsible for bringing the participant forms to the project and presenting them to the staff at check-in.
- Participants (student and adult) will not be allowed to serve without a completed Participant Form.
- Participants are responsible for having primary medical insurance coverage. World Changers is not financially responsible for the medical care of participants who are injured or become ill at a project.
- The group leader has primary responsibility for the medical care of group members and it is recommended they attach a copy of each participant's insurance coverage (insurance card) to the first-aid coordinator's copy of the Participant Form.
- If an adult member of your group is a licensed nurse or trained in basic first-aid, please tell your Project Coordinator. It is helpful to know the names of all medical professionals present at the lodging facility. Any person enlisted by the Project Coordinator to serve as first-aid coordinator pays a reduced registration fee.
- Participants (student and adult) should inform the Project Coordinator immediately if they are too sick to accompany their crew to a site. Adults may be asked to stay at the lodging facility with students from their group who are too sick to go to the work site.

Participant Form

- Every participant (student and adult) must complete and sign a participant form.
- ***Participants who are minors* must also have the signature of a parent or legal guardian AND must have their form notarized to participate in a World Changers project.***
- Group leaders are responsible for bringing all signed original copies of Participant Forms to the project and presenting them to the World Changers Summer Staff at check-in.
- Group leaders may choose to keep a photocopy of each form in case of emergency during the project.

The participant form gives important medical information and authorization for emergency medical treatment. World Changers must have a completed Participant Form on file for each participant (student and adult) before he or she can attend a ministry site.
