## Parent FAQ

### ***WHAT WILL MY CHILD BE DOING?***

Your student will be serving a community by working on someone's home. Construction projects allow students to serve through painting, siding replacement, replacement of windows/doors, interior repairs, building wheelchair ramps and more! Depending on the city some students may serve through roofing if they are old enough.

### ***WHERE WILL THEY BE STAYING?***

Facilities vary per location, but are typically either local school campuses or churches where participants sleep on air mattresses (brought by them), eat in the cafeteria, and have evening gatherings in the auditorium or sanctuary. Shower facilities are used there or are provided by portable shower units.

### ***WHAT DOES MY CHILD NEED TO BRING?***

A detailed what to bring/not to bring list is provided by World Changers further on in this packet. In general, students need to bring all bedding, toiletries, and clothes. Your group leader may have additional requests or guidelines so be sure to check with them.

### ***WHAT ABOUT SAFETY?***

Safety is a high priority at World Changers. All of our projects have a First Aid Certified staff person or volunteer on site. World Changers conducts background checks on all employees working at the project. Our staff are extensively trained on ministry safety, construction site safety and crisis management. All group leaders are responsible for conducting background checks on their adult chaperones that attend. We notify local law enforcement when World Changers is in the community so they can provide extra assistance as needed.

### ***WHAT IF MY CHILD DOES NOT HAVE INSURANCE?***

Although highly recommended it is not required that students be insured in order to attend. World Changers provides LIMITED supplemental accident insurance for each participant.

### ***WHAT IF MY CHILD HAS NEVER BEEN AWAY FROM HOME BEFORE?***

We advise working with your student's group leader to help set expectations and prepare them for their trip ahead of time. In addition, try to plan out a system of communication that will allow you to stay in touch with your student, while still respecting the group leader's cell phone policy. Another great way to stay in touch with your student is through our online E-Couragram system. This allows you to write and send encouraging messages to your student that are printed and delivered to them at the project.

All of our staff are well-trained and prepared to assist with any issues or problems that your student may encounter while away from home. Your group leader is responsible for bringing one adult of the same gender for every five students. This ensures that your student will be well supervised and have access to trusted adults in their group. Continue to pray with, and for your student as they are thinking about or planning on participating in one of our projects. With your support, we know that the Lord will use your student to do great things for the community and city that they will be serving in!

### ***DOES MY CHILD NEED SPENDING MONEY?***

At all World Changers project your student(s) have the opportunity to purchase memorabilia from the Marketplace. Items include stickers, hats, t-shirts and prices range \$1-25. Some locations may provide snacks for purchase. World Changers 7 Day (Saturday-Saturday) projects give groups Wednesday afternoon off and dinner is not provided by World Changers. Coordinate with your group leader about how much money to send with your student for this or for other activities that your student ministry has planned in addition to World Changers.

## **Medical Care at the Project**

At a project, World Changers enlists one or more adults who are trained in basic first-aid to serve as first-aid coordinators (FAC). Their training is certified by a recognized organization, like the American Red Cross or the American Heart Association. Here is helpful information regarding medical care at the project:

- First-aid coordinators will NOT administer over the counter medications. Any prescribed medication brought to a project must be accompanied by a valid medical doctor's order or covered in appropriate protocols. The group leader is responsible for purchasing and/or dispensing any medicine to students.
- Participants should inform the first-aid coordinator of any prescription medications they are taking immediately upon arrival at the project. In most cases, the first-aid coordinator will be present during Check-In.
- Whenever a participant goes to the hospital during a project, an adult must accompany the participant, and the Project Coordinator and group leader must immediately be informed. In most cases, the group leader is taken to the hospital as soon as possible. The group leader is responsible for contacting parents/guardians immediately whenever a participant has any medical care provided or considered by FAC or hospital.
- The first-aid coordinator must complete an Accident Report Form whenever first-aid is administered. Necessary first-aid is rendered at the job site and at the lodging facility.
- Emergency personnel are called whenever necessary. A local doctor has been enlisted to advise and render care when necessary.
- A participant form is provided for every participant. Before leaving home for the project, a form must be completed and signed by each participant (student and adult). Participants under age 18 must have a parent's signature and have their participant form notarized by a notary public. The form gives important medical information and authorization for emergency medical treatment. Group leaders are responsible for bringing the participant forms to the project and presenting them to the staff at check-in.
- Participants (student and adult) will not be allowed to serve without a completed Participant Form.
- Participants are responsible for having primary medical insurance coverage. World Changers is not financially responsible for the medical care of participants who are injured or become ill at a project.
- The group leader has primary responsibility for the medical care of group members and it is recommended they attach a copy of each participant's insurance coverage (insurance card) to the first-aid coordinator's copy of the Participant Form.
- If an adult member of your group is a licensed nurse or trained in basic first-aid, please tell your Project Coordinator. It is helpful to know the names of all medical professionals present at the lodging facility. Any person enlisted by the Project Coordinator to serve as first-aid coordinator pays a reduced registration fee.
- Participants (student and adult) should inform the Project Coordinator immediately if they are too sick to accompany their crew to a site. Adults may be asked to stay at the lodging facility with students from their group who are too sick to go to the work site.

## Participant Commitment

The purpose of this commitment is to create clear expectations for all World Changers participants attending a project. You should read over the responsibilities expected of every World Changers participant.

While participating in the project I will seek to demonstrate my love for Christ and for others by agreeing to...

- **Commit to sharing the gospel.** Through preparation of the Pre-Project Study, I will avail myself to learning how to share the Gospel and take advantage of the opportunities presented to me to share the Gospel.
- **Seek to grow in my personal and corporate prayer life.** I will seek the Lord daily through prayer and Bible study. I will purpose in my heart to leave more spiritually mature than when I arrived.
- **Keep myself healthy.** I agree to not use tobacco products, alcoholic beverages, or illegal drugs. I will notify the project staff of any prescription drugs I will be using during the week.
- **Maintain a safe working environment for myself and my crew members.** I agree not to have possession of or use any fireworks, firearms, pocket knives, or weapons of any other kind.
- **Work to the best of my ability.** I am excited about demonstrating my love for Christ by working on a home for a resident; participating in a ministry project, or whatever the project requires of me. To the best of my ability I pledge to work in a manner that would be pleasing to Christ.
- **Follow the dress code.** I agree to bring clothes that comply with the dress code, and not to bring clothes that do not comply with the code. I will dress, at all times, in a manner worthy of an ambassador of Christ.
- **Stay in designated areas.** I agree to stay with the group at all times. I understand that I cannot leave the work site or lodging location without the permission of my ministry team leader, crew chief, group leader, or Project Coordinator. Note: Girls will not be in boys' rooms, and boys will not be in girls' rooms.
- **Respect the privacy of others.** I will not tamper with or take others' possessions.
- **Maintain a clean environment.** I will do my best to keep all areas of the lodging facility clean and free from litter. I will respect the property and grounds serving as "home" for all participants for the week. I understand that any property I damage will be my personal responsibility.
- **Demonstrate a Christ-like spirit. My attitude will be like that of Jesus (Philippians 2:5). I will love those with whom I work and those around me throughout the week.** I will not allow another's property or person to be abused.

I have read the responsibilities listed above and the dress code and agree to follow them during the week I am participating in the project. I understand that failure to do so could result in disciplinary action.

**YOUR REGISTRATION TO ATTEND A WORLD CHANGERS PROJECT IS YOUR COMMITMENT TO ACCEPT AND ABIDE BY THE GUIDELINES AND RESPONSIBILITIES OUTLINED HEREIN.**

## **Dress Code**

Please remember that this is a mission experience. Participants are on mission at all times, at the ministry site and at the lodging facility. Participants should make a special effort to wear clothes that are modest and appropriate for the work to which we have been called.

- Sleeved shirts are to be worn by all participants at all times (no tank tops, spaghetti straps or midriffs, this includes dresses). At the worksite, at the lodging facility, on the way to and from the showers. If the sleeves are torn off the shirt, it no longer meets the dress code.
- Long pants must be worn at the construction work sites. Pants made of heavy cloth, like denim, are preferred. Pants at the worksite should not have any rips or distressing. Pajama pants and tights are not allowed at the worksite.
- Yoga pants and leggings are allowed, however, they should be paired with a long t-shirt, dress, or skirt. Tights can not be worn as pants, they need to be layered underneath, shorts, dresses, or skirts.
- Shorts are acceptable at the lodging facility. Shorts should be at least fingertip length. No short shorts. Any skirts or dresses should also be at least fingertip length.
- Participants are to be fully dressed in accordance with this dress code any time they are outside their assigned room at the lodging facility. Shorts or long pants and a sleeved shirt is required in hallways, in worship, and on the way to showers and restrooms.
- Durable shoes with closed toes must be worn at all work sites. Sandals are not acceptable. Shoes or boots with heavy soles are recommended for construction projects.
- Always wear shoes outside of rooms.
- If you are participating in a project that involves your group attending local churches on Sunday morning (6 & 7 day projects), please be sure to bring long pants (nice jeans are fine), or even appropriate skirts or dresses to wear. We will provide a t-shirt for everyone, but no shorts need to be worn to church on Sunday.

## **Enforcement of the Dress Code**

- Group leaders are asked to review the dress code with participants before leaving for the project. A pre-trip meeting is an excellent time to review the code. Please be certain everyone in your group, including student and adult participants, understand what is required and what is prohibited.
- Group leaders will be asked to enforce the dress code among participants in their church group during the project.
- If necessary, the staff will take appropriate action with the individual's group leader to ensure all students follow the dress code.
- Violation of the dress code at ministry sites may result in participants being transported back to the lodging facility. Participants will not be allowed to work if not dressed according to the dress code.
- Any dress code disputes, not covered specifically in the dress code, fall to the discretion of the Project Coordinator.

- Group leaders may choose to keep a photocopy of each form in case of emergency during the project.

The participant form gives important medical information and authorization for emergency medical treatment. World Changers must have a completed Participant Form on file for each participant (student and adult) before he or she can attend a ministry site.

\*A minor is any person under the defined age of majority in the participants residing state. For most states this is age 18, exceptions are listed below:
